Do You LIVE UNITED?

United Way of Lake County delivers results.

We address the most critical, pressing, local problems and demand results.

Examples of programs we support include:

Exercise for seniors • Food and meal distribution • Counseling and treatment • After school tutoring • Bullying prevention • Mentoring • Emergency assistance • Shelter and transitional housing • Life skills training

United Way of Lake County is a good investment.

Your dollar goes further.

For every \$1 contributed, we leverage another \$174 in services by joining our dollars with government and private foundations to address priority issues.

United Way of Lake County is a catalyst for change.

We lead change and adapt to emerging needs.

For example, we fund a program to rehabilitate *first-time* alcohol and drug offenders through the Mentor Drug Court because we know it costs less to rehabilitate someone and has longer-lasting effects than incarceration.

Education

Our children have a right to achieve success. Your donation helps to sustain:

- Bullying Prevention
- Childcare
- Mentoring
- Teen Leadership
- Youth Enrichment

Income

Everyone should be able to live independently. That's why United Way of Lake County supports programs that focus on:

- Congregate Meals
- Emergency Assistance
- Family Development
- Transitional Housing

How you can help us make a difference

Give

Give United Way of Lake County the opportunity to hold educational campaigns at your office. Give at the level you can afford this year.

Advocate

Tell your employees, co-workers, neighbors and friends about the positive impact United Way of Lake County and our partner agencies are making in our communities, from Wickliffe to Madison.

Volunteer

Coordinate a United Way project in the community or personally volunteer to sit on one of our committees that determines where your money goes to help in Lake County.

Health

Building a strong community starts with ensuring the health of its citizens. Your donations help to provide:

- Counseling
- Infant Formula
- Lunch Programs
- Pediatric Dental Care
- Senior Exercise Programs
