The News-Herald

Coming in at an all-time high, on Thursday, Lubrizol's United Way campaign lead Gary Garling presented United Way of Lake County president Deborah Foley with a record-breaking check for more than \$228,000. This raises the bar for United Way's campaign efforts in Lake County," Foley said.

"At this point in United Way's campaign, other companies who have completed their fundraising efforts with stellar results including FirstEnergy Perry, Giant Eagle, JC Penney and Macy's," said David Munson, United Way of Lake County vice president – resource development. Several other major and smaller companies are running their campaigns now. More results will be available as these companies finalize their annual fundraising efforts.
