United Way of Lake County
TO CONTINUE TO DRIVE CHANGE AND BUILD A STRONGER COMMUNITY, WE NEED EVERYONE’S HELP.

We are the problem-solvers, the hand-raisers, the game-changers. We have been responding to our community's most pressing needs for 100 years. But the one thing that has remained constant is our resolution to build a better community for all. Today, we fight to drive lasting change for the health, education, and financial stability of every person in Lake County.

PLEASE GIVE. 100% OF CONTRIBUTIONS TO OUR COMMUNITY IMPACT FUND STAY LOCAL, BENEFITING LAKE COUNTY CHILDREN AND FAMILIES IN NEED.

HEALTH

TOO MANY Too many in Lake County live in distress at being uninsured or under-insured. This creates a harsh barrier to obtaining needed medical and dental care, prescriptions, mental health counseling and substance abuse treatment. We're working to change this. Will you help?

EDUCATION

54% A full 54% of Lake County children enter kindergarten without the sufficient skills and knowledge to engage in kindergarten-level instruction. This puts them at risk of being left behind in school and in life. We're working to change this. Will you help?

FINANCIAL STABILITY

33% Nearly 33% of Lake County households struggle to afford basic needs. For too many, the cost of living outpaces what they earn forcing them to make impossible choices like buying medication or feeding their children, paying their rent or getting gas. We're working to change this. Will you help?

New contributors drive impact. Loyal contributors drive impact. Every one of our supporters drive impact - whether giving, volunteering, or advocating. As we celebrate 100 years of impacting lives, think how far we can continue to go together. Can we count on you to join us and LIVE UNITED?
